

Medical Director, Biologicals – Australia

GlaxoSmithKline (GSK) is a global pharmaceutical company that sets international benchmarks for research and development and has a strong focus on developing its people. GSK's mission is to improve the quality of human life by enabling people to do more, feel better and live longer.

Due to internal promotion we now have an excellent opportunity for an experienced Medical leader with strong commercial acumen to join the Australian business to lead our Vaccines Medical team as Medical Director for Biologicals. This role supports the vaccines business of GSK in Australia, New Zealand and the Pacific Islands and has dual reporting lines to the Medical Director Australia/NZ and the VP, Clinical R&D and Medical Affairs, Asia Pacific.

The position sits on the GSKA Medical Management Team and manages a team of CRAs and administrative staff responsible for all vaccine clinical trials in Aus/NZ. In this role you will also manage the Vaccines Medical Affairs team of scientists and physicians and their activities in the GSK Australasia organization. As Biologicals Medical Director your key role will be to lead both R&D and Medical Affairs and ensure there is focus and support for the team to achieve their business goals.

To be successful in this role you will be a qualified Physician with relevant postgraduate qualifications and significant commercial experience. You will bring your high level strategic thinking and leadership skills. You will have strong influencing skills with both external and internal customers with a strong sense of urgency and understanding of customer needs. As a senior leader with experience in the pharmaceutical industry you will have a high degree of skill in evaluation, presentation and application of scientific evidence and high ethical standards.

This is an excellent opportunity to join GSK's successful Australian business leading a highly capable team. The Biologicals group is well positioned for growth and is an excellent place to move to the next step in your career.

Relocation support and sponsorship to move to Australia will be provided if required. Please contact [David Fitz-Gerald](#) at GSK Careers in Australia on [+613 9721 6758](#) if you have any queries.
