

# Exciting Opportunities Within Medical Affairs

*IHS is firmly established within the pharmaceutical and healthcare industries as one of the UK's leading providers of staff. From offices in London and Manchester and through a highly trained and professional recruitment team, IHS is perfectly positioned to deliver a range of top quality recruitment solutions.*

*IHS Scientific specialises within Medical & Scientific recruitment and deals with positions ranging from trainee right through to senior levels.*

*Below are a snap shot of some of the positions we are currently recruiting on:*

## **Medical Advisors – Numerous**

We are currently recruiting for a number of Medical Advisors in specialist therapy areas, including:

- Inflammation
- Haemophilia
- Vaccines
- Infectives
- Surgery

We are keen to speak to not only experienced Medical Advisors but also GMC registered medics who are keen to make the transition into the pharmaceutical industry.

## **Senior Medical Manager, Pulmonary Vascular Portfolio**

Reporting into the Head of Medical Affairs, you will manage a team of Scientific Advisors and lead the delivery of medical/scientific programmes and clinical activities.

## **Ophthalmic Medical Lead**

A leading pharmaceutical company is currently recruiting for a Medical Director with a proven background in Ophthalmology. This role would suit a Medical Director who is keen to take the next step in his career.

## **Medical Affairs Manager, Oncology**

A top pharmaceutical company, with an excellent product portfolio currently require an experienced Med Affairs Manager with a solid understanding of the Oncology therapy area.
